## Directors' Message

Dear Camp Families,

WOW! What an amazing summer of 2017 we had! We absolutely love this time of year when we can reflect on the best things that happened this summer, and get excited for new and improved additions to camp for 2018.

Some of our highlights include:

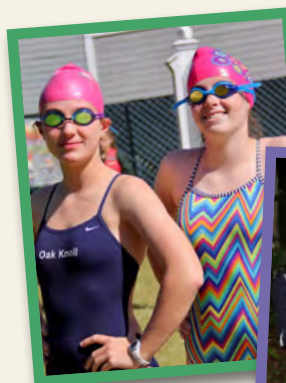

- Introducing Girls in the Woods to our campers
- Fishing off of Harvey before breakfast
- Inducting 42 campers into the Five Year Club
- Sending 45 campers to go White Water Rafting
- Eagerly watching 40 campers and staff swim to Watermelon Island
- Congratulating 19 campers and staff who participated in the Race Around the Lake
- Taking turns on the new slide!

It's not every day that we get to see Cinderella reunited with her prince, or cheer on our friends doing the pyramid in the ski show. At camp, we savor the little moments of witnessing kindness between our campers and stargazing in the Vermont outdoors.

As we get further into the second century of summers at Lochearn, it is these stories and favorite moments that we want to capture and save for future Lochearn Lassies. If you have a story, memory or moment that you would like to share with us, we want to hear from you! You can always email us at [fun@camplochearn.com](mailto:fun@camplochearn.com).

We wish all of our Lochearn Lassies the best as you start school and excel in your extra curricular activities.

Happy Camping!  
*Tony & Stacie*

## *Blue & Green*

It wouldn't be a summer at Lochearn without celebrating our Blue and Green teams! Each session, there is a winner of the Blue-Green competition. The friendly rivalry continues as Blue won first session and Green won second session this summer!

The teams played Capture the Flag as part of the competition which was also introduced into the Blue-Green games this summer. Every camper who captured a flag during the game took home a Lochearn flag of their team color. There are so many memories of team spirit, sportsmanship and accomplishing goals that the tradition of the Blue-Green competition helps create!
