

The Bagpipe

A Letter from Our Directors

Dear Lochearn Families,

VERMONT FUN FACT

Vermont got its name from two French words: "vert", meaning "green", and "mont", meaning "mountain". No wonder they call us the Green Mountain State!

We hope you are as excited as we are for camp this year! Enrollment has been stronger than ever, and we are thrilled to welcome our wonderful lassies of 2022.

Our staff is preparing to make this season as safe as it is fun! Heidi Allen, our waterfront director, is attending an advanced instructor lifeguard training course, and Arris Arbor, our head of climbing, is attending an 8-day high ropes training in Brattleboro, VT. We have an excellent team of leaders and counselors assembled who are so excited for this summer!

We can't wait for you to join us here at camp in just a few short months. Thank you so much for your kind words of recommendation to your friends and family seeking a camp home for their daughters—it means the world to us.

Only one more season until we are all together on Lake Fairlee!

With Lochearn Spirit,

Eliza & Ann
