

The Bagpipe

A Letter from Our Directors

Dear Lochearn Families,

We are busy preparing for an epic summer of 2022! Even though it's only February, we are already so excited for summer, and we hope you are too.

VERMONT FUN FACT

At 4,395 ft of elevation, Mt. Mansfield is Vermont's tallest mountain! It can be summited as part of the Long Trail, the oldest long-distance hiking trail in America, which spans 273 miles across the whole state.

It's a winter wonderland here on Lake Fairlee, but we're just imagining the fun of summer—the lake full of swimming campers, games on Coach's Field, hiking in the Green Mountains, the stage lit up once again with our very talented Lassies! Summer can't come soon enough.

We have an amazing camp season lined up, and we can't wait to share it with you. Thank you so much for your kind words of recommendation to your friends and family seeking a camp home for their daughters—it means the world to us!

Let the countdown to camp begin!

With Lochearn Spirit,

Eliza & Ann

ALUMNI CORNER

"My first year was 1945 and I spent that summer in Junior Camp. I didn't know how to swim when I arrived, but found that to be one of my talents, and I was awarded the swimming cup every year I attended. Another vivid memory was the ending of World War II. There was much rejoicing and we were allowed to go swimming after dinner in celebration. By the time I was a senior, I was awarded my LC. At that time I was the Green Team captain. I have long understood that Lochearn made me the person I am today."
