Lochearn CAMP FOR GIRLS Vermont

Fall Issue 2026

A Letter from Our Directors

Greetings from Vermont!

As the summer ends and we look forward to a beautiful fall season, we want to pause and look back on the amazing memories we've shared. Every day campers and staff learned the true meaning of what it means to be a Lochearn Lassie. From daily activities, learning a new skill, Blue-Green events, or just spending time together at Free Choice, the laughter and joy echoed throughout camp. The friendships that were made will last a lifetime and empower our campers to grow in self-confidence and kindness.

We are excited for what the upcoming year will bring and look forward to being back on the shores of Lake Fairlee with everyone. As you move through the school year, we hope that the little moments of camp will remind you of how much you've grown. Whether it's feeling the sun on your face outside, playing a pickleball match, or hearing a Zumba song and immediately starting to dance. All of the memories we've made this summer are a source of strength and encouragement.

Our team is already hard at work planning another unforgettable summer for you.

Thank you for being a part of the Lochearn family and we can't wait to see you
in 2027.

With Lochearn Spirit,

Erin and Tuffer

STAFF SPOTLIGHT

Camp Lochearn: Head of Tennis

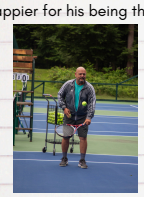

Lochearn has been lucky to have Aldo with the team since 2015. Originally from Ponce, Puerto Rico, Aldo currently lives in Massachusetts. Aldo attended the University of Puerto Rico (Mayaguez Campus) for his undergraduate and completed his Masters of Science in Physical Education at Ohio State University. He is now a Ph.D. Candidate at Ohio State University for Physical Education with a specialization in Motor Development. Aldo has more than 30 years experience in teaching, coaching, and athletic administration. He currently works at The MacDuffie School as a Senior Admissions Associate and Tennis Coach.

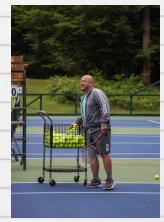

At camp, Aldo is famous for reminding the girls "jogging jogging" when they're on the courts and always bringing a smile to class. Aldo can always be found on the tennis courts, teaching campers how to be both better tennis players and people. He brings smiles, energy, and positivity to every class.

Aldo loves teaching at Lochearn because "it is a great opportunity to provide the campers with a safe and fun environment to learn and experience the wonderful sport of tennis." He also loves "working with the administration, fellow heads of activities and staff to provide the campers with a quality and fun experience throughout their time at Lochearn."

We are so happy to have Aldo as part of the team at Lochearn. He brings expertise, knowledge, and positive energy to the courts every day! Aldo truly makes camp happier for his being there.
