Camp Lochearn Program for S-Day Campfire

Kneel Always

Kneel Always when you light a fire!
Kneel reverently and thankful be
For God's unfailing charity,
And on the ascending flame inspire
A little prayer that shall up bear
The incense of your thankfulness
For his sweet grace
Of warmth and light.

When the Council Fire is Burning

When the council fire is burning
And the sun is in the west,
Of the hours we spend at Lochearn
'Tis the time we love the best
Friend meets friend in the Lochearn circle
Seeks a trust she'll e'er renew
Joining hands in loyal friendship
Gives a pledge to the Green and Blue.

Lochearn Motto

To be honest, to be kind,
To seek a deeper understanding of the beauty about us.
To make the whole camp happier for our being here
To make and to keep friends, but to do so without surrendering our ideals
And above all, to keep friends with ourselves;
To grow to have more courage and self-confidence,
And to take home an open mind and a kind and caring heart.

On My Honor

Chorus:

On my honor I will try
There's a duty to be done and I say aye
There's a reason here for the reason above;
My honor is to try and my duty is love.

People don't need to know my name
If I've done something wrong, then I'm to blame
If I've helped someone, then I've helped me,
And I've opened up my eyes to see.

Chorus

I've tucked away a song or two
If you're feeling down, there's one for you
If you need a friend then I will come,
And there's many more where I come from.

Chorus

Come with me where the fire burns bright
We can even see better in a candle's light,
And we find more meaning in a campfire's glow
Then we'd ever learn in a year or so.

Chorus

Everyone sits for S-Day Campfire Program

Everyone stands for the Lochearn Camp Hymn

Lochearn Camp Hymn

I would be true for there are those who trust me
I would be pure for there are those who care
I would be strong for there is much to suffer
I would be brave for there is much to dare
I would be brave for there is much to dare.

I would be friend of all, the foe, the friendless
I would be giving and forget the gift
I would be humble for I know my weakness
I would look up and laugh and love and lift
I would look up and laugh and love and lift.

Taps

Day is done
Gone the sun
From the lake
From the hills
From the sky
All is well
Safely rest
God is nigh

Songs Often Sung as Part of S-Day Campfire

Back to Pooh Corner

Christopher Robin and I walked along under
branches lit up by the moon
Posing our questions to Owl and Eeyore as the days
pass away all too soon
Well I've wandered much farther today than I
should and I can't seem to find my way back to the
woods.

Chorus:

So help me if you can; I've got to get back to the
house at Pooh Corner by One
You'd be surprised there's so much to be done
Count all the bees in the hive (5)
Chase all the clouds from the sky (chase those
clouds away)
Back to the days of Christopher Robin and Pooh.

Winnie the Pooh doesn't know what to do, got a
honey jar stuck on his nose
He came to me asking help and advice and from
there no one knows where he goes.
So I sent him to ask of the owl if he's there how to
loosen the jar off the nose of a bear?

Chorus

Ending: Back to the days of Christopher Robin and
back to the days of Christopher Robin
And back to the ways of Pooh.

Barges

Out of my window looking in the night,
I can see the barges' flickering light
Silently flows the river to the sea
And the barges do go silently.

Chorus:

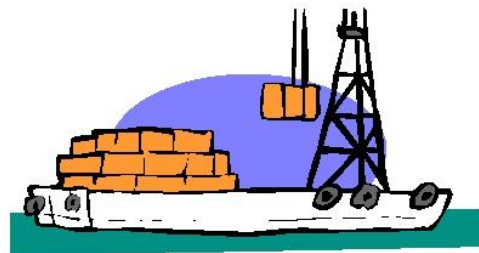

Barges, I would like to go with you
I would like to sail the ocean blue
Barges, have you treasures in your hold?
Do you fight with pirates brave and bold?

Out of my window looking in the night
I can see the barges' flickering light
Starboard shines green and port is glowing red
I can see the barges far ahead.

Chorus

Out of my window looking in the night
I can see the barges' flickering light
Silently goes the cargo out to sea
And I wish that someday they'd take me.

Chorus

Garden Song

Chorus:

Inch by inch, row by row, gonna make this garden grow
All it takes is a rake and hoe and a piece of fertile ground
Inch by inch, row by row, someone bless these seeds I sow
Someone warm them from below 'till the rain comes tumbling down

Pulling weeds and pitching stones,
We are made of dreams and bones.

I feel the need to grow my own 'cause the time is close at hand
Grain for grain, sun and rain, I'll find my way in nature's chain
Tune my body and my brain, to the music from the land.

Chorus

Plant your rows straight and long,
Temper them with prayer and song
Mother Earth will make you strong if you give her love and care
An old crow watching hungrily from his perch in yonder tree
In my garden I'm as free as that feathered thief up there.

Chorus

Linger

Mm mm I'd like to linger,
Mm mm a little longer,
Mm mm a little longer, here with you

Mm mm it's such a perfect night
Mm mm it doesn't seem quite right
Mm mm that it should be my last with you.

Mm mm and come September
Mm mm I will remember
Mm mm my Lochearn days and friendships true.

Mm mm and as the years go by
Mm mm I'll think of you and sigh
Mm mm this is goodnight and not goodbye
Mm mm it's not goodbye, it's just goodnight.

I Love the Mountains

I love the mountains
I love the rolling hills
I love the flowers
I love the daffodils
I love the fireside, when all the lights are low
Boom-dee-ah-da, boom-de-ah-da,
Boom-dee-ah-da, boom-de-ah-da.

Magic

When I was young I thought the stars were made for wishing on,
And every hole deep in a tree must hide a leprechaun
Old houses all had secret rooms, if one could find the key
I do believe in magic, I believe.

Chorus:

Magic is the sun that makes a rainbow out of rain;
And magic keeps the dream alive, to try and try again
Magic is the love that stays when good friends have to leave
I do believe in magic, I believe.

Growing up, the grown-ups said, someday I'd wake to find that
Magic's just a childhood dream I'd have to leave behind
Like clothes that would no longer fit and toys that I'd ignore,
I'd not believe in magic anymore.

Chorus

When I grew up I learned again that much to my surprise
Magic did not fade away, it took a new disguise
A child, a friend, a smile, a song, the courage to stand tall
I do believe in magic, after all.

Chorus

Last line of chorus: For love's the greatest magic:
I do believe in magic, I believe.

Moon on the Meadow

Moon on the meadow, bugs in our ears
Smoke in our eyes, wet wood and tears
Up on the meadow, water somewhere
We were the only ones there.

Wild horses rushing, dry lakes and peaks
Finding the love that everyone seeks
Hiking to rainbows, sunsets, and stars
Just finding out who we are.

We will return here one lucky day
Our hearts will guide us, they know the way
People in cities don't understand
Falling in love with the land.

Moon on the meadow, bugs in our ears
Smoke in our eyes, wet wood and tears
Up on the meadow, water somewhere
With you, my friend, I am there.

Puff the Magic Dragon

Puff the magic dragon lived by the sea
And frolicked in the autumn mist in a land called Honah Lee
Little Jackie Paper loved that rascal Puff
And brought him strings and sealing wax and other fancy stuff
Oh!

Chorus:

Puff the magic dragon lived by the sea
And frolicked in the autumn mist in a land called Honah Lee
Puff the magic dragon lived by the sea
And frolicked in the autumn mist in a land called Honah Lee.

Together they would travel on a boat with billowed sail
Jackie kept a lookout perched on Puff's gigantic tail
Noble kings and princes would bow when'er they came
Pirate ships would lower their flags when Puff roared out his name.
Oh!

Chorus

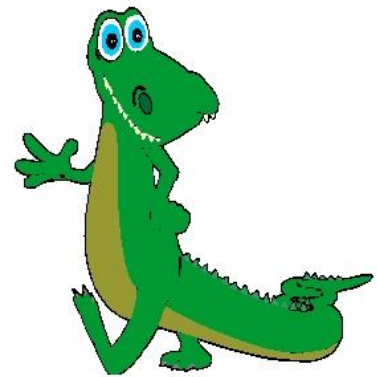

A dragon lives forever, but not so little boys
Painted wings and giant's rings make way for other toys
One gray night it happened, Jackie Paper came no more
And Puff that mighty dragon, he ceased his fearless roar.

His head was bent in sorrow, green scales fell like rain
Puff no longer went to play along the cherry lane
Without his lifelong friend, Puff could not be brave
So, Puff that mighty dragon sadly slipped into his cave.
Oh!

Chorus

One fine day it happened. Puff woke from a dream
He thought he heard a familiar voice and Jackie's laugh, it seemed
He looked around his cavern, and over near the door
Stood a little boy with a piece of string and a smile he'd seen before.

"Hello, my name is Billy, my dad told me your name,
He'd said I'd find you in the cave along the Cherry Lane"
Puff, the magic dragon, smiled in his joy
He'd never be alone again, for this way Jackie's little boy.

Songs Sung at Blue/Green Campfires

Each Campfire Lights Anew

Each campfire lights anew
The flame of friendship true
The joy we've had in knowing you
Will last the whole year through.

(Hum the first two lines)

The joy we've had in knowing you
Will last the whole year through.

Flicker of the Campfire

Flicker of the campfire, wind in the pines,
Stars in the heavens, the moon that shines
A place where people gather, make friends of all kinds;
A place where all man's troubles are always left behind.

Refrain:

So, give me the light of the campfire, warm and bright;
Give me some friends to sing with, I'll be here all night.
Love is for those who find it, I'll find mine right here
Just you and me and the campfire and the songs we long to hear
Do-do-do-do-do-do-do-do

Repeat refrain without do-do-do.

Peace

Peace, I ask of thee Lake Fairlee
Peace, peace, peace
When I learn to live serenely
Cares will cease.

From the hills I gather courage
Visions of the days to be
Strength to lead and faith to follow
All are given unto me.

Peace, I ask of thee Lake Fairlee
Peace, peace, peace.

Back to Lochearn

Chorus:
Back to Lochearn to wear a Scotch plaid
Back to Lochearn, it's not a bad fad
But to cover the subject more thoroughly
Wear a Scotch hat just as jauntily.

In the morning we take a dip
In the morning we made it quick
For the water is cold, and we're not as bold
As those Scotch Lassies so we've been told.

Chorus

We have crafts and tennis too
We have sailing on Fairlee Blue
And the swimming and diving can't be surpassed
For those Scotch Lassies are just too fast.

Chorus

In the evening we should be quiet
In the evening we raise a riot
And patrol flashes on its light
And we duck our heads right out of sight.

Chorus

Coughed up the three red shirts
And flagged the train.

The Green Cathedral

I know a green cathedral,
A shadow'd forest shrine,
Where leaves in love join hands above
And arch your pray'r and mine;
Within its cool depths sacred,
the priestly cedar sigh,
And the fir and pine lift arms divine
Unto the pure blue skies.

In my dear green cathedral, there is a flower'd seat,
And choir loft in branched croft
Where song of bird hymns sweet
And I like to dream at evening,
When the stars its arches light,
That my Lord and God treads it hallow'd sod.
In the cool, calm peace of night.
That my Lord and God treads its hallow'd sod
In the cool, calm peace of night.

Bubblegum

My mom gave me a penny
She said go buy a henny
But I didn't buy no henny
Instead I bought...
Bubblegum! Bazooka zooka bubblegum!
Bazooka zooka bubblegum!

My mom gave me a nickel
She said go buy a pickle
But I didn't buy no pickle
Instead I bought... Bubblegum! Bazooka zooka bubblegum!
Bazooka zooka bubblegum!

My mom gave me a dime
She said go buy a lime
But I didn't buy no lime
Instead I bought... Bubblegum! Bazooka zooka bubblegum!
Bazooka zooka bubblegum!

My mom gave me a quarter
She said go buy some water (*make it accented to make it rhyme with quarter*)
But I didn't buy no water
Instead I bought... Bubblegum! Bazooka zooka bubblegum!
Bazooka zooka bubblegum!

My mom gave me a dollar
She said go buy a collar
But I didn't buy no collar
Instead I bought... Bubblegum! Bazooka zooka bubblegum!
Bazooka zooka bubblegum!

My mom gave me a five
She said go stay alive
But I didn't stay alive
Instead I choked on... (*whisper while grabbing neck*): Bubblegum!
Bazooka zooka bubblegum!
Bazooka zooka bubblegum!

Baby Bumblebee

I'm bringing home my baby bumble bee
Won't my mommy be so proud of me
I'm bringing home my baby bumble bee
Ouch! It stung me!

I'm smashing up my baby bumble bee
Won't my mommy be so proud of me
I'm smashing up my baby bumble bee
Ugh! What a mess!

I'm licking up my baby bumble bee
Won't my mommy be so proud of me
I'm licking up my baby bumble bee
Eww! I feel sick!

I'm puking up my baby bumble bee
Won't my mommy be so proud of me
I'm puking up my baby bumble bee
Yuck! What a mess!

I'm sweeping up my baby bumble bee
Won't my mommy be so proud of me
I'm sweeping up my baby bumble bee
Well, I won't do that again!

Hermie, the Family Pet

One day as I was
Skipping home from school
There was mother
And there was father
And there was sister
And there was brother
And there was Hermie
The family pet
And he was this big (*hold hands 3 inches apart*).

One day as I was skipping home from school
There was mother
And there was father
And there was sister
But where was brother?
And there was Hermie,
The family pet
And he was this big (*hold hands 1 foot apart*).

One day as I was skipping home from school
There was mother
And there was father
But where's was sister?
And where was brother?
And there was Hermie
The family pet
And he was this big (*hold hands 2 feet apart*).

One day as I was skipping home from school
There was mother
But where was father?
And where was sister?
And where was brother?
And there was Hermie
The family pet
And he was this big (*hold hands 4 feet apart*).

One day as I was skipping home from school
Where was mother?
And where was father?
And where was brother?
And where was sister?
And there was Hermie
(*Continues on next page*)

The family pet
And he was this big (*hold hands as far apart as possible*).
And Herman let out a big gulp
And there was mother
And there was father
And there was sister
And there was brother
And there was Hermie
The family pet
And he was this big (*hold hands 3 inches apart*).

Walkin' Through The Woods (*By Nora Neely*)

Walkin' through the woods at 12 AM
And I thought I saw a bear
(ba-na-na-na-na-na)
The bear stared at me,
And I stared right back
And I said, "Bear! Whatchu' doin' with that?!"
He said, "that is a piece of pie!"
The pie is my gramama, my oh my!

The bear climbed up the tree
With the banana pie
And I said "Bear! Oh my gosh! You're gonna touch the sky!!"
He said, "That's a piece of pie!"
The pie is my gramama, my oh my!

There must be some subs in the atmosphere

There must be some subs round the campfire

Rub a dub dub you wish you were a sub
So, you could hang out in this pre-teen club
Laughing and playing all days long
Cabins one through ten you can't go wrong

Once you're a sub, you can't go back.
