Fall Issue 2022

## A Letter from Our Directors

Dear Lochearn Families,

Fall is time to reflect, reminisce, and re-live the highlights from our previous summer together. We quickly find ourselves looking forward, with great expectations, to the summer ahead when we hear girls laughing on our waterfront, we smell warm cookies baking in our Culinary Arts kitchen, and we watch our campers come alive on stage as they perform our summer musical.

We are lucky to have the chance to spend the summer with so many outstanding girls and to be a part of helping them develop to into the best people that they can be. We often hear from our camp alumni that Lochearn not only positively impacted their lives while they attended camp, but how their experience at Lochearn has continued to be an important part in their lives and helped shaped them into the women they are today.

As you know, we do not advertise, and your continued support is greatly appreciated. Our enrollment has never been stronger. Last year we had to move to a wait list during our enrollment season and again we find ourselves nearing capacity in some of our age groups. We genuinely thank all of you for your kind words as you continue to recommend Lochearn to your friends.

We are looking forward to all being back together on the shore of Lake Fairlee in Vermont for the Summer of 2023!

With Lochearn Spirit,

*Eliza & Ann*

### Find Emma Chubb

Camp Lochearn was founded by Emma Chubb in 1916. Each day her name is hidden in the daily program. Can you find Emma Chubb in this newsletter?

**Remember all of the exciting things we added in Summer 2022!**

**You will be hearing more about what is NEW for 2023 in our next issue of the Bagpipe.**

- **COMPLETE NEW DOCK SYSTEM** - with added swim lanes for teaching and competitive swimming.
- **NEW LOW ROPES COURSE** - with 5 new elements near our Alpine Tower to enhance team building for campers and staff.
- **NEW SKI BOOM** - to accompany our waterski program and work with our two MALIBU SKI BOATS. The boom allows beginner skiers to gain confidence and works as an aide for more advanced skiers.
- **TWO NEW SKI BUMPER TUBES** - to add to our popular S-DAY fun!
- **NEW DOUBLE OVEN in CULINARY** - expanding our popular program area of cooking and baking and supporting our garden to dishes.
- **NEW BOOK WORM AWARDS** - many of our campers are avid readers at home and at camp and love to read in their free time at camp, at rest hour and before bed, campers interested in keeping a record of pages read could do so by keeping a log of their personal pages read in our BOOK WORM BINDER in our camp library.
- **NEW BOOKS FOR our CAMP LIBRARY** - from a variety of genres.
- **NEW SCRABBLE TOURNAMENT** - interested players could compete throughout the summer and the finalist competed at our outdoor picnic area near Bonnie Oaks with spectators.
- **NEW SOCCER CLINIC** - adding to our popular LACROSSE clinic each session, girls that wanted to hone their soccer skills received coaching from a visiting Dartmouth Women's coach (fee included in tuition).
- **NEW state of the art PROJECTOR in EVERGREEN** - to be used to assist campers and staff by projecting words to some of our favorite camp songs, for camp slide shows, and to showcase the short movies made by our seniors in the **NEW FILM CLASS**.
- **NEW PAW PALS CLUB** - a big hit from our four-legged friends at camp.
- **NEW TENNIS +PLUS** - our top tennis pros were available to give a limited number of campers private tennis lessons that pre-registered the Spring before camp.
- **NEW program choices in THEATRE** - including a Shakespeare Class.
