"THE VERMONT EXPERIENCE"

Directors' Message

Dear Lochearn Families,

Wow—thank you all for a truly incredible summer of 2021! From hiking trips to lacrosse clinics, from the energy of Blue/Green campfires to the quiet contemplation of S-Nights on Campfire Hill, from perfect ice cream scoops to unforgettable Lake Fairlee sunsets, this summer was what we all needed. Thank you for being a part of our Lochearn family, which has endured for 105 years now.

The summer of 2022 will be the same Camp Lochearn you have come to know and love, carrying on the same traditions of excellence that have been in place through many generations of camp leadership. We are very much looking forward to getting to know you all better over the coming year as we prepare (already!) for the best summer ever in 2022!

The leaves are brilliant here in Vermont as we reach the peak of fall, and there is so much to miss about camp life: the sound of campers laughing and singing all across the grounds, telling time by the bugle's call, being fully unplugged from technology, not bothering to know what day it is beyond A-Day, B-Day, or S-Day. We miss chocolate chip pancakes in Highland Hall, and seeing girls get up on waterskis for the first time. Camp is a magical time and place unlike any other experience in the world, where we try new things, practice important life skills, and enjoy the present moment without the distraction of phones or social media. We already can't wait for next year!

Enrollment has never been stronger! We are thrilled to hear from returning families and to welcome in new campers as well. Thank you, from the bottom of our hearts, for being an important part of the Camp Lochearn community. Your glowing words of recommendation truly mean the world to us.

We are so excited to see you all in 2022!

Warm regards,

Eliza & Ann

Eagles Report

We have an eagle family nesting right over Campfire Hill! It has been incredible to watch them hunting over Lake Fairlee all summer.

In early May, one of the two eagle chicks fell from the nest and broke his collarbone. Thankfully, the raptor rescue program at Vermont Institute of Natural Science was able to capture and rehabilitate him.

In late August, he was successfully released right here at camp, and immediately reunited with his family! Mama eagle began to feed him right away, and he is flying like a pro. Nature is amazing!

Paw Prints

Hunter

My name is Hunter! I was rescued by Eliza at six months old from a shelter in South Carolina. I think I'm part Fox Hound, part Beagle. I'm 7 years old and love children. I am a people person who loves getting my coat brushed and a belly rub. I am completely devoted to friends and family. So, what do you say? Wanna be besties?

Meet your new camp dogs!

Sina

I'm Sina! I'm a 7-year-old husky/shepherd mix. Arris and Adair adopted me from an animal rescue when I was 3 years old. I love kids, swimming with Arris in Lake Fairlee, and getting long, luxurious belly rubs. My new favorite thing is paddle boarding! I can't wait to meet you next summer!

Bella

Hi! I'm Bella, Nina's dog companion. I'm a very sweet and playful golden retriever fresh out of my puppyhood. I'll be joining Lochearn Lassies next summer on OAP hikes! See you on the trail!

Bagpipe Bulletin

Staff Updates

Arris and Adair Arbor

Summer Climbing Program Area Leaders, have joined our year-round staff!

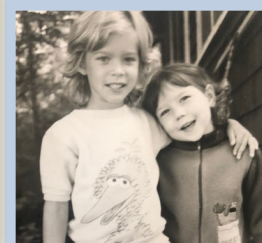

Arris and Adair, outdoor adventurers, environmentalists, landscapers, and artists, will be holding down the fort as year-round Vermonters! Adair will be working in the camp office, assisting with hiring and program development. Arris, a timber framer in training, will be working with Buck, using his woodworking skills to beautify camp through the winter. They are already looking forward to campers returning for another awesome summer!

Georgia Jolley

is joining our office team!

Georgia is excited to return to camp life after nearly a decade of medical office administration. She spent 30 years in the camping community in Maine (see below picture of Georgia and Eliza at camp together in 1985!). Georgia lives in Charlotte, North Carolina with her husband and two children, including one daughter who will be a future Lochearn Lassie! Her wish is for all campers and staff to benefit from a camping experience that for her, as a former camper, helped shape some of her fondest childhood memories.

Alumni Corner

Lochearn Lassie spotted in Maine!

India Reynolds has been a proud Lochearn Lassie since 2013. In fact, Lochearn is in her blood; her mother, Diana, was also a camper at Lochearn. Ann ran into her in Maine this summer - the Lochearn family is truly everywhere!

On Lake Fairlee
Vermont

Happy Birthday, Lassies!
