Spring Issue 2025

A Letter from Our Directors

Dear Camp Families,

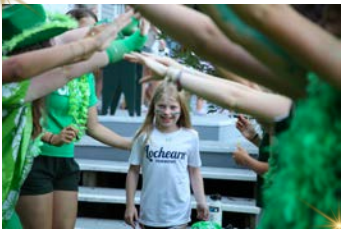

We are just a few short months away from the start of the Summer 2025 season, and we are beyond excited for what lies ahead! This summer is shaping up to be our best yet, and we can't wait to welcome all of our campers back to their summer home. With staff and campers traveling in from all over the world, the energy and excitement will be contagious. We've been working hard behind the scenes to make sure this summer is packed with new activities and experiences that will leave everyone with memories to last a lifetime.

We wanted to share that Ann will be stepping into the role of Director Emeritus this summer, continuing to offer her invaluable guidance and wisdom from her 50+ years in camping. As she takes on this new role, Erin and Christopher "Tuffer" Dow will be joining Eliza as Co-Directors this summer, bringing their energy and fresh ideas to the Director Team after serving as leaders in the Lochearn community for years. Eliza's cousin, Georgia, who has been our key point person for enrollment and scheduling, will be stepping into the role of Associate Director where her attention to detail and her lifelong experience in camping will continue to shine. We are so lucky to have such a talented and passionate group helping to create a summer experience like no other.

We are counting down the days until our campers arrive at beautiful Lake Fairlee, and we can't wait to share the fun, adventure, and growth with all of you this summer. Here's to an incredible 2025 season — see you soon!
