

The Bagpipe

Winter Issue 2023

A Letter from Our Directors

During this winter season we are reminded of Lochearn’s core values: **LOVE, INTEGRITY, FRIENDSHIP** and **EXCELLENCE**. These important tenets were established at our founding over 100 years ago and are engraved on a wooden banner under Highland Hall that we pass by every day at camp.

We delight in seeing all our campers finding joy throughout the day, in a safe, outdoor environment where they can explore, try new things, gain confidence, renew friendships and make new friends. Our staff are carefully selected for their integrity and love of children. We strive for excellence in everything we do.

We would like to give special thanks to all our camp families, friends and referral professionals who have recommended Camp Lochearn. Since we do not advertise, we want you to know how much we sincerely appreciate your kind words of support and praise. We are poised for what we feel will be Lochearn’s best summer ever in 2024!

Peace, Friendship and Love to our camp community from around the globe,

Eliza & Ann

Camp Lochearn Associate Director

Erin Dow joined Camp Lochearn after a 20-year career in independent education, serving at schools throughout New England and the mid-Atlantic. A graduate of Bates College where she was an All-American Division III lacrosse player and received a BA in English and a Masters in Educational Leadership, Erin has taught English at both the middle school and secondary level, coached soccer and lacrosse, served as a dorm parent, Guidance Counselor, Residential Administrator, and the Dean of Students. Before joining Lochearn, Erin served as the Head of Middle School at an all-girls school in Massachusetts and spent five years at the Julie Foudy Sports Leadership Academy (JFSLA), serving as one of the founding counselors teaching leadership skills to girls ages 12-17. Erin and her husband, Tuffer, Lochearn's Head of Waterskiing, have two children and two dogs who join them at camp each summer. During the year, Erin manages the majority of staff hiring and is an essential part of the leadership team at Lochearn.
